

Dear parents and students of S4 – S7,

As you have been informed, our Cambridge English exams will take place in January 2024. Therefore we are inviting all interested students **to register and pay for the Cambridge language exams**. Registration will open 6 November. The other languages (French and Spanish) will follow at a later date.

You will find all the necessary information about exam dates, fee payment, registration and preparation material below. Be especially aware of the deadline 8 January. Any registration after this deadline cannot be accepted. The candidates will be excused from their regular classes for their exams.

We have tried to look for exam dates that avoid interference with school exams. Yet it might happen that in individual cases these exam dates clash with school exams. Please remember that **school duties always have priority: a school exam cannot be postponed for a language exam**. It is up to each candidate to check their calendars for any school exams or other important school activity.

## **Registration For English Cambridge Certificates FCE and CAE:**

1. The **registration will open 6 November**, and it is fully online. We are offering the so-called “digital” exam, which means the candidates will not write on paper, but use laptops provided by Cambridge.
2. For level C1 (Advanced CAE, 250€) go to <https://zwierslanguagetraiding.be/product/cambridge-c1-advanced-cae-kopie/?lang=en&lang=en>

For level B2 (First Certificate FCE, 235€) go to

<https://zwierslanguagetraiding.be/product/cambridge-b2-first-fce-for-schools/?lang=en>

3. For “Location”, choose Brussels.
4. For “Paper/Digital”, click on “Digital”
5. For “Choose your date”, choose 20-01-24.
6. Choose the number of candidates, usually it will be only one; but you can register more candidates if you wish.
7. Click on “Add to Cart”.
8. A page will appear that says “Billing Details”. IMPORTANT: Here you must fill in the candidate’s name and details.
9. The field “Class” must be filled in, even though it says “optional”. Please make sure to fill in the class of the student (Example: S5FRA).

10. After that, click on “Place the order” and make the payment.

11. **The deadline for your registration for both levels B2 (FCE) and C1 (CAE) is Monday 8 January 2024.**

12. Exam dates:

The **written** exams for both levels B2 and C1 will take place **Saturday 20 January**. The **oral** exams for both levels will be in that same week (possibly Wednesday 17 January, to be confirmed).

13. Preparation material (sample tests, videos of listening exams, tips etc.) can be found on Cambridge’s website: go to [www.cambridgeenglish.org/exams-and-tests](http://www.cambridgeenglish.org/exams-and-tests)
